Regulations of „Referral Program” for students of University of Business in Wrocław in academic year 2022/2023

1. „Referral Program” is addressed to students who are going to promote University of Business in Wrocław and will contribute to increasing number of recruited students for academic year 2022/2023 for undergraduate and master’s degree studies. MBA and Postgraduate studies are excluded from the program.
2. Students of University of Business in Wrocław can participate in the program, regardless of nationality. They are required to:
 - Familiarize candidates with educational offer of University of Business in Wrocław;
 - Inform candidates about recruitment procedures and UBW requirements, support candidates during on-line recruitment.
 - Contribute to enrollment of new students in academic year 2022/2023.
3. For UBW students participating in “Referral Program”, University of Business in Wrocław offers a 10% discount for one semester of studies calculated from yearly tuition of a student enrolled through referral.
4. Requirement for discount is referring a candidate who never studied at University of Business in Wrocław.
5. Discount requirements for „Referral Program” candidates:
 - a) During recruitment a candidate should:
 - in case of online registration in the recruitment system apply.vistula.edu.pl (candidates without Polish citizenship) in the section "Information source" should be entered: name, surname, and student ID number of person who informed candidate about University’s offer;
 - in case of online registration in the recruitment system irk.handlowa.eu (candidates with Polish citizenship) in the appropriate section of the Application for admission to studies should be entered: name, surname, and student ID number of person who informed candidate about University’s offer;
